1 Statement of intent

The Trustees regard the Trust's buildings and grounds as an asset and will make every effort to encourage external use where possible to enable them to be used as much as possible as this supports the stated objective listed in the articles of association:

- to provide educational facilities and services to students of all ages and the wider community for the public benefit.

However, the principal object of the Trust is to facilitate the best possible education for its students in the school, and any lettings of the premises to outside organisations will be considered with this in mind.

The publicly funded budget cannot be used to subsidise any commercial lettings organisations. Charges will therefore be levied to meet the additional costs incurred by the school in respect of any lettings of the premises.

2 Legal Framework

This policy has due regard to the relevant guidance including, but not limited to, the following:

- DfE (2018) 'Advice on standards for school premises'
- DfE (2023) 'After-school clubs, community activities and tuition: safeguarding guidance for providers'
- DfE (2023) 'The Prevent duty'
- HMRC (2020) 'Land and property (VAT Notice 742)
- HMRC (2019) 'Education and vocational training' (VAT Notice 701/30)
- DfE (2023) 'Keeping children safe in education 2023'

3 Roles and Responsibilities

- Each Headteacher and Governing Board, in consultation with the Chief Financial Officer, has the discretion to set the scale of charges for lettings and/or the use of facilities. These will be amended as required to reflect the economic cost, each school's wider objectives, and the rates locally.
- If the letting is to proceed, the person(s) listed in Appendix C notifies Finance Team and passes the documentation to the Finance Team will raise an invoice and send this to the applicant.

4 Finance, Insurance and VAT

- If the stated purpose of the hire activity is not covered by the Trust's hirer insurance (see Appendix A (ii)), the hirer must provide evidence of holding relevant insurance cover for the date of the hire

- Free use and charges below economic cost should be unusual and authorised only by the Chief Executive Officer (CEO) or Chief Financial Officer (CFO) on an individual basis to achieve best outcomes for students.
- Standard rated VAT should be charged for letting out facilities, although the letting will be VAT exempt in certain circumstances including: lettings for charitable purposes run by registered or exempt charities; a let for educational purposes; lets for a series of sessions to the same hirer or lettings to local community organisations.
- Income from lettings is to be credited to the Lettings Income account as revenue income for the relevant school.
- A cancellation charge of 20% of the total cost of the hire should be made in the event of inadequate notice (less than 24 hours) being given.
- A damage retention charge may be made for certain events. This refundable charge is to be paid in addition to and at the same time as the letting charge.

5 Safeguarding

- If the hire of premises is to be for an organisation working with children and young people, the hirer must confirm that they comply with the document 'After-school clubs, community activities, and tuition safeguarding guidance for providers'. (Department of Education, 2023); the hirer must provide a copy of their safeguarding and child protection policy.
- During outbreaks of notifiable diseases such as Coronavirus, the additional policies in Appendix B should be applied.
